Dear D.O.G. Park members:

Thank you for your patience with the recent closure of the dog park. The grass has been reseeded and is coming in nicely!

We have decided that the park will be closed through Friday, June 9 so that the grass has more time to grow and for the new key card system to be installed. The cards have not arrived in our office yet so we would like to reopen when everything is up and running.

Thank you again for your patience. We know it is inconvenient but the closure is for the good of the park. We will be sending an e-mail to update you as to when we will start taking registration for the new system.

If you have any questions, please feel free to call the office at (734) 261-1990.

Thanks!

Kim Healy
